# CUT & PASTE CHALLENGE RAW MATERIALS

## SILVER

## RIO ITEM NO.

**Sterling Sheet, 22g, Dead Soft** 100122  
2" x 2" (Backplate material)  
NOTE: You could use 20g if you prefer.

**Sterling Sheet, 24g, Dead Soft** 100124  
3 pieces 1.5" x 2"  
(Pierced embellishments)  
NOTE: I recommend purchasing a sheet from Rio that is 1.5" x 6" and cutting it into thirds

**Sterling Silver Low Dome Wire #3** 100703  
3" (Ring band material)  
NOTE: #4 is also a nice size

**Fine Silver Bezel Wire 26g or 28g** 104030  
NOTE: Height depends on your stone, but I recommend a taller bezel such as 3/16" or 1/4" and building your stone up in the setting.

**YOUR STONE:** I recommend a stone that's approximately 15mm x 15mm up to 15mm x 20mm. Larger stones are fine, but know you may then need a larger backplate. Smaller stones are also fine, just a bit thicker to work around. Measurements are guidelines so have fun! Stone should be 2mm thick at the edges to ensure it's strong enough to set. Faceted or smooth stones work, but I recommend a flat back.

## OTHER CONSUMABLES

**Solder:**  
Hard 101702  
Medium 101701
